Subject: FOIA Request for Pesticide Product Registration Materials for
Willowood, LLC (EPA Company No. 87290)

Dear Freedom of Information Act Officer:

Pursuant to the Freedom of Information Act ("FOIA") and the FOIA regulations promulgated by the USEPA in 40 CFR Part 2, I request a copy of the **non-CBI** portions of the documents in the Office of Pesticide Programs Registration Division files, commonly known as the "registration jacket", relating to the following products:

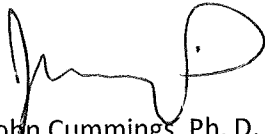

No.	Active Ingredient	Product Name	EPA Reg. No.	Registration Status
1	Clomazone	Willowood Clomazone ME (also Willowood Clomazone 3ME)	87290-47	Active
2	Clomazone	Willowood Clomazone 3ME	87290-55	Active

I am requesting all documents other than documents, or portions of documents, properly identified by the applicant and designated by the EPA as disclosing trade secrets or commercial or financial information, in accordance with FIFRA Section 10, EPA's implementing regulations at 40 CFR Part 158.33 and related regulations at 40 CFR Part 2.100.

Please email the responsive documents to me at john.cummings@fmc.com. However, if the documents are too large and are not practical to email, please contact me at (215) 299-6532 when the documents are ready so that I may pick them up at the EPA office. If a portion of this request can be fulfilled prior to completing the entire request, I would like to obtain any material as it becomes available.

I authorize costs up to \$100.00 associated with copying and review time to prepare this request. Please contact me before proceeding if costs exceed this amount.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Cummings', with a large, stylized loop at the end.
